

Preheat oven to 175°C/350°F (fan/convection oven) or 195°C/380°F (static oven)

5cm ice-cream scoop

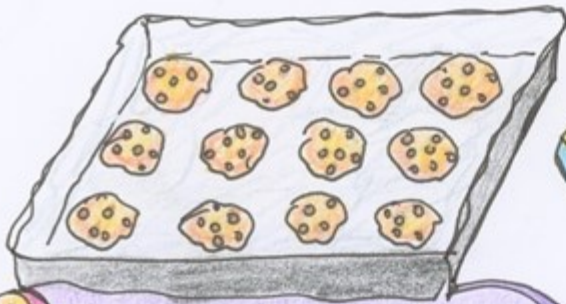

4 Try to resist eating them all immediately!

1 Use ice-cream scoop to place rounds of dough on the baking tray lined with baking paper,

2 Bake in the middle of the oven 12-13 minutes until light golden brown but still soft.

3 Cool 5-10 minutes or more on baking tray until they harden enough to move to a wire rack and cool completely,
